New students experience high school for the first time. Not really aware of what's ahead. The old look at things with more respect. Students filling the hallways opening the doors not only to fundamental learning, but also the doors to their future.

High school is something very

special. It teaches you more than Reading, Writing, and Arithmetic. It teaches you about loyalty, pride, and friendship.

But whether inside or outside the classroom we will often find ourselves thinking, "WHERE DO WE GO FROM HERE?" High school years are four of the most important years of our lives. Through those years we will see styles changing. Changes such as dances, cars, clothing, hairstyles and attitudes. At least one new friend has been made and an old one may have been lost.

As the years go by we look back on the good times and the bad. The best years shared are those of one's high school years. All of us will remember the laughter and the people who have made the years a little easier at Alhambra and a little

harder to leave. We must all do some growing up during our years here. But Alhambra High is here to prepare us for it all.

Mickey Mouse visited Alhambra for the celebration of the 18th annual Homecoming.

The spirit of Disney filled the air as students got involved in the devotion of float building, the spirit raising Homecoming assembly, and, of course, the most exciting football game of the season! The Lions easily plucked the Falcons of Carl Hayden, finishing the game with a score of 28-7.

"Jungle Book," constructed by the freshman and sophomore classes, was voted the "best float." The senior class took second place with their float, "It's a Small World."

STATE STATE

Spirit was the number one objective of the '79-'80 Cheerleaders. They supported the school's spirit as they cheered at assemblies and all football and basketball games.

Both Varsity and J.V. lines won several awards for their performances. The awards included: superior, excellent, and outstanding ribbons and also the girls once again brought home the spirit stick.

The Cheerleaders sold many spirit ribbons and buttons throughout the year.

With leadership and guidance, Captain, Tammy Kowacz and Co-captain, Nanette Bentley piloted the '79-'80 Pom Line through an exciting and unforgettable year.

The girls dedicated a lot of time to practice and created new dance routines. They performed at all home games and pep assemblies throughout the school year.

The Poms went to camp over the previous summer and were honored with the Spirit Stick.

Leading the Student Executive Committee (S.E.C.) was 79-'80 Student Body President, Jim Stevens. The S.E.C. consisted of the student body officers and the president, vice-president and secretary-treasurer from each class.

Richard Haas, vice president, was the officer who presided over the senate. Senate was in charge of distributing money to needed areas at the school and community, and also handled the arrangements for community service that Student Government participated in throughout the year.

All activities that were presented on campus during the year were sponsored by the Activities Committee. Tammy Kowacz was the committee chairperson.

Student Government was a class on campus. Each member received academic credit for their participation. There were many lunch hours, after school hours and weekends given up involved in being an active member of Student Government.

Godspell Converts Alhambra Students

Godspell was the first musical performed by the Theatre Arts Department since You're A Good Man Charlie Brown.

The department had wanted to do Godspell for a long time. The auditions for the production were much stricter; people had to be able to sing, dance and act.

Theatrical traditions of musical productions were broken throughout Godspell such as, no curtain was used to open the production and between each of the acts, and the same set was used throughout the whole musical.

Musical Lions fill the air with Beautiful Harmony

Our football and basketball games would not have been the same without the support from the Marching Band. They served as a pep band at assemblies and presented pre-game and half-time shows at the home football games.

Matt Wilson, President, led the Marching Lions this year with some assistance from his fellow-officers: Dean Sullinger, Vice-president; Mary Trinka, Secretary; Bonnie Lutrick, Treasurer; Jeff Wolf, Boys' manager; Peggy Burbrink, Girls' manager; and Sergio Castillo, Drum Major.

The band participated in the Marching Festival at N.A.U. in November, and also marched in the Rodeo Parade.

Wind Ensemble and the Concert Band held many on campus concerts throughout the year. Five students from Wind Ensemble were selected for the North Central All Regional Band. The competition was held at Chaparral High School in January.

Julie was the U.S.T.A. 's (United States Twirling Association) Grand State Champion for 1980. She competed for her title in October, at Chaparral High School. She had also received over 250 twirling awards for her admirable style.

Choir sends four to All-Regional

Students learned a lot from being involved in Choralettes and Chorale. The two singing groups taught them to read music, perform in front of large audiences, and also leadership in working together.

The Choralettes held their fall concert, "Burgundy Sounds," in October. Both the Choralettes and the Chorale participated in the Christmas concert with the entire music department.

Jenny Richter and David Hayes went to Europe and sang in the "American Youth in Concert."

Debbie Colvert and David Hayes received Gold Medals for superior ratings at the solo and ensemble festival. The All-Regional Choir included: Jenny Richter, Laurie Spitler, Sergio Castillo, and David Hayes.

The students were sponsored by Mrs. Charlotte Edgar for the first semester and received a new teacher at the semester break, Ms. Nancy Owen.

Dancers Interpret Music

Modern Dance taught students about fine arts and how dance was an important part of art and physical education. Students learned how to create their own dances and how to perform both individually and in a group.

"Hang in there, baby Award," Outstanding Choreographer, Best Dancer, and Most Improved Dancer were the awards granted to the dancers at the end of the year at their Awards Banquet.

The girls were sponsored by Ms. Diane Malenfant. Brenda Bradford was Head Choreographer, and the four directors were Agnes Bua, Beth Dodge, DeAnna Kessler, and Cindy Pickard.

FORTRESS Works with Extra small Staff

Cathy Gamez, Editor-in-Chief, started the year off with her main objective to produce the best yearbook at Alhambra ever. She wanted to make it a little different and very special!

The staff was rather small at the beginning of the year. It began with eight staffers, and received two new

staffers at the semester, Agnes Bua and Jerri Sue Jacoby.

A few staffers attended journalism workshops. Cathy went to Grand Canyon College to the "Close Encounters of the Yearbook Kind." Denise, Stacy, and John went to Moon Valley High

School to the AIPA fall convention.

The cover and the division pages of the '79-'80 FORTRESS were something new for Alhambra. The lion on the cover was from the San Diego Zoological Society, and the mascot on the division pages was Diane Hurtado.

I. Mike Butler, Academics Editor, photographer, kicks back during yearbook while munching out on some candy. 2. Agnes Bua, second semester staffer, takes a break from her writing to think about the day finally coming to an end. 8. Jerri Sue Jacoby, second semester staffer, looks directly into the camera lens while daydreaming, thinking about what to write.

SCIMITAR shows more Positive Image

Determination, an interest in journalism, and a background in English were some of the requirements for SCIMITAR. Being a staffer helped students to build a creative imagination and an insight into journalism and writing. It also helped in communicating with others.

The staff published nine issues, some of which were IO and 25 pages. They met each day as a class and spent many hours before and after school.

Debbie Pettett was the Editor-in-Chief with sponsor, Mr. Martin Krey. Other staffers included Virginia Brannoch, Managing Editor, Circulation Manager, and Advertising Editor; Mike Baez, Cartoonist; Elizabeth Keller and Marty McKinstray, Photographers.

Students learn Leadership Traits

Students in the JROTC program learned basic leadership fundamentals. They were taught an understanding of the military. Each individual was provided with opportunities to take responsibility in key roles of leadership. JROTC sponsors this year were Major Gruhn and Sargent Kohrs. JROTC stu-

dents participated in many activities throughout the year, such as the Black Canyon M-16 Shoot, Gompers Collection Day, and their involvement in the '79-'80 Homecoming. The Rifle Team competed in the Tucson Invitational rifle match and the South Mountain rifle match. The drill team was involved in

the Governor's Drill Meet, Black Jack Drill Meet and the Panther Cup Drill Meet.

The students collected newspapers and had candy sales to raise money for equipment, and entry fees for various extra curricular activities for the rifle and drill teams.

Eight Represent Americanism

Girls and Boys State was a program of education for citizenship. It was sponsored by the American Legion Auxiliary. They, the girls and boys, instituted their own branches of city, county, and state governments. Girls

and Boys States purpose was to educate the young women and men in the duties, privileges, rights and responsibilities of American citizenship, in order that they may understand and participate in the functioning of their

governments, and to help them grasp the meaning of some of the responsibilities which they must assume when they become adults.

It was a "learn by doing" method. It was good experience for all of them.

GIRLS STATE: Cathy Davis. Patricia McKenna, Virginia Brannoch, Patricia Amavisca.

BOYS STATE: David Hayes, Dale Mauzy, Richard Haas, Jack Collins.

Scholarship Abilities Learned

This years sponsors for National Honor Society were Mrs. Beeson, Mr. Shoger, Mr. Owens, and Mr. Goodrich. Officers were Virginia Gibbons, President; Shirley Haney, Vice-President; Terri Maggard, Secretary; and Julie Nelson, Treasurer. In order to become a member of NHS they had to have a 4.3 grade average and had to be selected by the honors committee. NHS had Bagel Sales in the quad before and during school. The money from the

sales went to scholarships.

Members learned about scholarship, services, building of character, and leadership. This honors club helped to motivate themselves to their school work.

Journalists Honored in School

Quill and Scroll is the International Honorary Society for high school journalists. Quill and Scroll consisted of the SCIMITAR and FORTRESS staff.

The sponsor was Mr. Larry Cunning-

ham. Quill and Scroll members are recognized by educators and professional journalists for their service and interest in the journalistic field.

Members of Quill and Scroll are Ju-

nior and Senior class. They must have done work in some phase of journalism or school publications work, such as yearbook or newspaper.

Denise Cohn helps Mike Butler draw correct layouts for his section.

Between deadlines Debbie Pettett talks with her staff on friendly matters.

Hola! To the class of 1980:

I want to tell you some of my thoughts and experiences in America and especially you people from Alhambra. The year I spent here was terrific even when the first months were kind of tough and I didn't know the language.

But then I got used to everything, the people became friendly and I made many friends .

The time seemed to fly and it was more fun. Being an exchange student is a wonderful experience because you've got the opportunity to meet people, learn another language, know new customs and share many things with your host family. If you have the chance to be one go ahead, don't be

afraid. It's really neat, besides you ind a second family in a foreign country.

I love United States and Phoenix the city that gave me friendship, happiness and love.

Now that my year is over I realize that I've changed a lot. I've new ideas about many things that I wouldn't have if I hadn't come.

I want to thank all the people that helped me during the year and to all my friends that I love so much. I'll never forget them!

> I LOVE YOU ALHAMBRA! Clara Henao Colombia 1979-80

The Heavyweight team ended their season with a 4-6 record, led by their coaches Mr. Faubion and Phil Berra.

The Lightweight team finished their season with a 3-3-2 record. Both coaches were "off campus" advisors, which meant extra time on their part to come out and instruct these atheletes. Mr. Stark and Ricky Bartee were this years Lightweight coaches.

Juniors Raise Money to Sponsor Prom

This year the Junior Class sponsor was Mr. McCauley. The class was led by Diane Quan, President; Brenda Hammonds, Vice-President; Yolanda Rendon, Secretary-Treasurer. There were twenty-one junior members involved in the class. The membership requirements were that they be elected to office or through interviews. They met everyday. Everyone participated, along with everyone being active. Senators were Mary Bonny, Phillip Hernandez, and Barb Fizz.

The activities planned for the year were the Junior-Senior Prom at The Pointe which was held in May. Other activities were dances the Junior Class sponsored after games, candy apple sales, Heart-o-grams, and class ring orders.

Some fund-raising programs the class had planned were the candy suckers and painter hats along with the candy apples and Heart-o-grams. All the money made went toward the prom.

The class learned how important it was to get involved and care. The excitement of always being surrounded by other Student Government members was what attracted many members to be part of Junior class. The class contributed time in Gompers, Arch, and the Suns Games from which the money will go to the Matt Owens Fund.

Sophomores Stand Up to Cheer

This years sponsor for the Sophomore Class was Mr. Richard Johnson. The class was led by Mike Olsker, President; Traci Roberts, Vice President; and Kathryn Smallidge, Secretary-Treasurer. There were eleven sophomore members in Student Government. The only requirements were that they be elected by their peers and selected by Student Body officers. The officers met whenever it was thought necessary. Everyone participated in the class.

The class had planned to sell T-shirts. They also worked on the traditional Homecoming float with the Freshman Class. The only competition they had entered was in the Homecoming Float.

The class had planned on fund raising projects. The money from the fund raisers went into the class account toward their Junior-Senior Prom.

Students learned about teamwork, cooperation, and responsibility. Being in Student Government, this year, made school fun and worthwhile. Overall the class officers and senators wanted to get the entire class involved.

Freshmen Strive to be Number One

OFFICERS: Scott Estes, Paige DeHart, and Julie Blackshire.

This years sponsors for the the Freshman Class were Ms. Hurlburt and Ms. Johnson. The class was led by Scott Estes, President; Julie Blackshire, Vice-President; Paige DeHart, Secretary-Treasurer. Class Senators were Terry Pfeifer, Janine Bailey and Eddie Amavisca. They had eight freshmen members in Student Government. The only requirement was to be elected into office. The class officers met every day. Everyone participated in activities and were active.

The class planned to have candy sales, and in December painted and cleaned the campus.

All money raised from the candy sales went to the Freshman Class treasury.

Students learned of involvement, cooperation, and responsibilities. They were attracted to Student Government because they wanted to get involved in the school and help their class, and they wanted to make it better than any other class. The activities helped outside the community.

SENATORS: Janine Bailey, Eddie Amavisca, and Terry Pfeifer.

I had started the year wanting to produce the best yearbook in the history of the school. I think the staff has reached that goal. Working with a small staff of ten was really hard, especially in trying to meet the first deadline, which was the student pictures. We had a hard time with student pictures and we tried really hard to correct our mistakes.

We had four returning staffers this year: Sheila Harney, Denise Cohn, Anastacia McCarthy and myself. The returning staffers helped the new members understand a little bit more about the yearto those who weren't on staff,

I'd like to thank Mr. Chuck Burcell, our yearbook representative, for all the support in the book. Mrs. Virginia Poynter for keeping all our records straight. The staff for the many, many long hours that were frustrating, especially in trying to meet deadlines. To Mr. Cunningham for all his patience and understanding. I'd like to give special recognition to those who weren't on staff, but helped out in the production. Les Coates, Cynthia Schwartz, Karol West, Lucero Gusman and especially my good friend Diane Hurtado. Diane deserves a lot of recognition, because if it weren't for her, the division pages might not have been possible. But if it hadn't been for all those

people who weren't even on staff, I don't know what the staff would have done. Thanks a lot seems too little of a thing to say. I'd also like to thank the Zoological Society of San Diego for the picture of the lion on the cover. I'd like to thank Mr. John McCauley and Mrs. Jeanne Akers for letting me out of class whenever I needed to work on yearbook.

TO MR. LARRY CUNNINGHAM: You're a very rare teacher and person. Although you had your bad days, like myself, you always managed to get the staff through. You always found the time to help any staffer out on the yearbook. You have more patience than any man I know. I hope that next years FORTRESS staff will be fortunate enough to have you as their advisor as well as their friend, as I did.

TO THE STAFF: AND THOSE WHO HELPED: Well you guys, we made it! All our fears are gone. Take a lot of pride and say "I helped produce the best and most promising yearbook in the history of Alhambra High School." The book we started from scratch, with no ideas at all, turned out to be the very best. I'd like to give special recognition for the hard work everyone on staff put in. To all the photographers, Joel, Mike and John, thanks for reprinting a lot of pictures that were needed. To

those who had the hard job of having to lay out pictures and write copy thanks go to Sheila, Susan and Denise. Staffers like you are really hard to find.

TO THE STUDENT BODY: This year the book was cut down by sixteen pages. Maybe some were missed and others went by unnoticed. Either way I hope that you will enjoy the book. There are a lot of hours dedicated into could imagine. No one, unless you're on staff, realizes the hard work and time that goes into each page. Most of the staff put in about three hours a day. That meant giving up lunch hours, not going to classes and giving up your free time. If you think this is not a good book then I challenge YOU to get on the FORTRESS staff for the 1980-81, and I'll come around next year and see how you're doing. If I had to do it all over again, I would.

Sincerely Yours,

Cachine III Samez
